

STILL WAITING FOR A JOB OFFER?

Gain a New Perspective, Show a New Perspective:

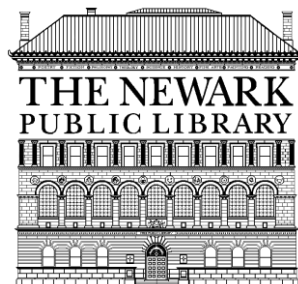

TUESDAY, SEPTEMBER 17, 2019 | 2:00-3:30 P.M.
Newark Public Library
5 Washington Street
3rd Floor, Technology Training Center

Jay Oza will present a fresh approach to getting a good job and advancing in your career in ways that will make you—and your employer—happy and successful. He developed this technique through his own professional experience, coaching, writing, and speaking.

You will learn:

- *How to turn a job into a satisfying career*
- *How to leverage the abilities you possess and keep adding skills in a strategic way that makes you most employable*
- *How to develop a message that makes you stand out as the best job candidate*
- *How to present yourself as an employee who can take a company or organization to the top of its field*

Reservations are not necessary -- simply show up for this special program.
